THE TRANSACTION AND GMAP'S DEAL INPUT

- LOTS Group, a wholly owned subsidiary of Scania, is a transport company offering leading transportation services to the mining, forestry and agricultural sectors globally. The Swedish transportation company employs more than 1000 full time employees and transports over 16 million tons per year.
- Through this acquisition, LOTS Group has expanded its global operations into North America for the first time. This will allow LOTS to leverage Munden's experience and skill set, as well as extending their service offering to new and existing clients.
- Crosbie & Company and Condere advised LOTS Group in their acquisition of the Munden Group.

ABOUT MUNDEN GROUP

- Munden Ventures is a 3rd generation family-owned specialty transportation, maintenance and log harvesting business based in British Columbia, Canada.
- The company is focused on the forestry sector, offering log harvesting and hauling services with 8-axle short log units.
